Washington, DC 20001

Dear Mr. Ost,

The recent contribution made by the American Federation of Teachers (AFT) to the Elizabeth Crowley for Congress 2012 dated May 8, 2014 has been used to pay off campaign debts. Although the campaign had no reported debts at the end of 2012, it did report debts to the FEC starting the quarterly statement of April 2013 and they were still outstanding at the time of the April 2014 letter to the AFT.

After receiving the above stated AFT contribution and after the campaign paid off some debt, the campaign still has a debt of seven hundred dollars and has less than fifty dollars left in the campaign bank account.

The campaign will work with the FEC to make sure that the debt was reported correctly.

Sincerely,

Elizabeth Crowley
